Welcome to all the new families that have joined us at Liberty in the Wild since we opened in September. It has been an exciting journey to get us to this position and we are delighted that we are now able to support the education and well being of our new students. It is wonderful to be able to share our vision and ethos with so many young people and see them begin to thrive in our setting.

Last term we focussed on our theme of Friendships and New Beginnings and every student who started with us was able to embrace the theme in a positive manner. It has been a pleasure getting to know them and we are excited to be able to continue to work together in the coming months.

Amazing Artwork!

1 - Beautiful watercolours by Lexi.

*2 - This is Stanley the Stag. A 3D wooden piece of Art created by Finn.*

## Festivals of the World

This half term, our theme will be Festivals of the World where we will look at the Hindu Festival of Diwali, Bonfire Night customs and traditions, the Mexican day of the Dead Festival, the Chinese Moon Festival, the Thai Lantern Festival and of course Christmas. An exciting term lies ahead!

## Community Christmas Card Afternoon

On the 5th October we opened our doors to the wider community and invited them to join us in a festive card making afternoon. The finished designs have been sent off to be printed into actual cards which the children can then send to their friends and family. This activity brought the community together and also earned some funds for the Friends of Liberty in the Wild Association, a charity which helps and supports the pupils of our provision. Thank you to all who came, enjoyed the festive music, ate candy floss and mince pies and supported our event.

## Future Events

Dates for your diary;

- 7th December - Winter Christmassy Fayre
- 18th December - Term ends for pupils
- 19th and 20th December - Training Days
- 6th January - Training Day
